GALLERY I: Bringing Back Memories

Denise Presnell & Fernando Rico

Tuesday, Dec. 10, 2024 – Sunday, March 2, 2025

This duo explores memory in two distinct ways. Fernando Rico paints the landscapes of his country, or memories of them, as an attempt to bring memory with him and make it an ally to combat loneliness among other demons. Denise Presnell employs the marks, forms and textures of the previously painted layers to develop new directions.

Twists and turns transform our lives in unexpected ways. Elizabeth Tuttle explores the shattered forms of storm-tossed trees, fallen on the forest floor. Lael Scheber collaborates with the natural world to reorganize the broken pieces of ourselves into something unimagined, magnificent and whole.
