About Danae Hays

Hays' cast of zany southern characters and parody country music songs have pushed her to the top of the Spotify and Apple Music charts, earning her a cumulative following of nearly 4 million followers and over 2 billion views. Hays' debut country/comedy single "Rode Hard" peaked at No. 5 on the Country Global iTunes Charts, No. 8 on Billboard's Country Digital Song Sales, No. 22 on Billboard's Digital Song Sales and No. 34 on Billboard's Emerging Artists. She was recently honored by *The Hollywood Reporter* on their inaugural list, "Next Gen Creators 2024: 15 Rising Influencers Who Are Taking Social by Storm." Last year, Hays wrapped her debut comedy tour, which sold out in minutes. The tour has been extended into 2025 and transitioned to theaters. True to her multi-hyphenate nature, Hays' passion for acting landed her a role in "Mother Nature and the Doomsday Prepper" (which she just returned from filming in the spring of 2024) and "Summer Camp". Additionally, Hays has co-and guest-starred alongside many of the most notable names in entertainment, including Diane Keaton, Kathy Bates, Alfre Woodard, Tanya Christiansen and Josh Peck.
