About Justin Willman

Justin Willman wants to melt your brain while making you laugh. He's best known as the star and creator of the hit Netflix series *"The Magic Prank Show"* and *"Magic For Humans."* But you may recognize him from one of his many television appearances (*"The Tonight Show," "The Today Show," "Ellen," "Conan" and others*). Or maybe you know his work as a host (*"Baking Impossible," "Cupcake Wars" and "Win, Lose or Draw"*). Or maybe he's the child magician you hired in suburban St. Louis in the '90s. If you don't know Willman, he's a magician and comedian who's mastered the art of turning cynics into believers (or at least getting them to laugh). His live show is simultaneously mind-blowing and hilarious—and will likely keep you up at night wondering how the heck any of it was possible. Willman is also a proud father and a loving husband, and he has zero experience as a licensed boat mechanic (that's a different Justin Willman).
