

1. Scan this QR code on your mobile device or go to overture.org/wallet.

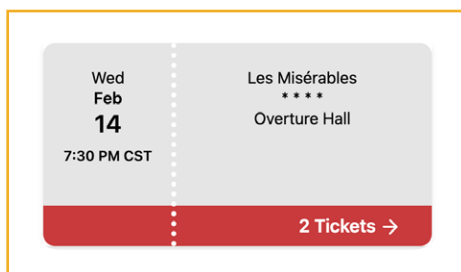

- Log in with the same username and password you used to purchase your tickets.
- Forgot your password? Click the link to reset it.

QUICK TIPS:

We recommend bookmarking overture.org/wallet, so it's ready to go when you are!

Check "*Keep me logged in for 30 days*" for easier access next time.

2. Tap your event to view ticket details.

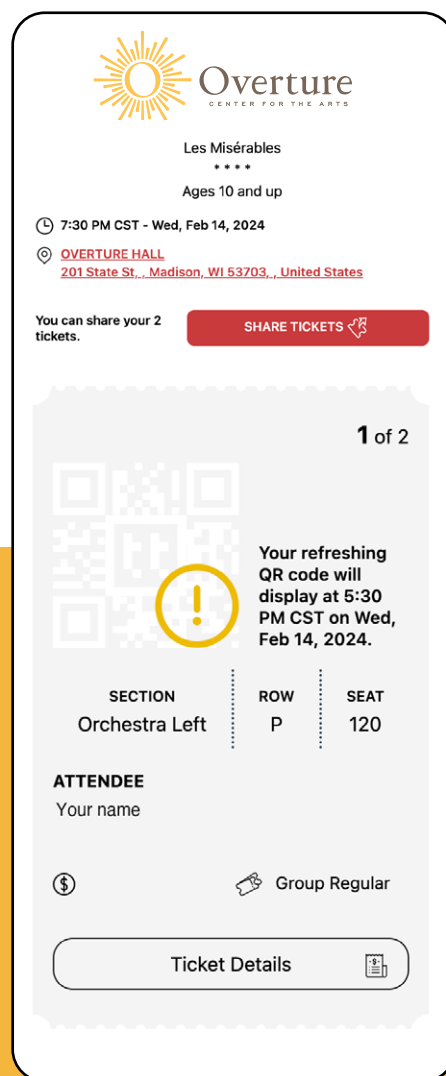

3. Scroll down to see your seat location and QR code.

NO MORE SCREENSHOTS OR PRINTOUTS!

- Digital tickets use a revolving QR code for increased security.
- Your revolving QR code will not appear until the date and time listed in your wallet.
- When your QR code appears, your ticket is ready to be scanned at the performance.

NOTE!

Your tickets are accessible from any device, but you must log into your Overture account to scan them at the performance.

Troubleshooting tips:

- To view your digital tickets, open a browser on your mobile device (ex. Safari, Google Chrome, etc.).
- If you have previously logged in and things don't look as expected, refresh your page.
- Your QR code will not display until 48 hours before the performance.
- The QR code continuously refreshes and can only be scanned from your mobile device. DO NOT take screenshots or bring printouts as they will not be accepted at the door.
- Make sure your phone is in light mode.
- Still need help? Contact tickets@overture.org.
